### 2010 LANDSCAPE SERVICE REQUEST

Please select the services which you would like to receive for your property this year. You may mail a copy of the form back to the office or submit it on-line at [www.AustinGanimLandscapeDesign.com/2010services](http://www.AustinGanimLandscapeDesign.com/2010services).

#### PLANT & BED MAINTENANCE

Each maintenance program is customized to the individual needs of your property. We offer several packages weekly, bi-weekly, and monthly, seasonal clean-ups are listed separately in the next section.

PLANT MAINTENANCE PROGRAM PACKAGES --such as weeding, deadheading and general maintenance of all garden/planting beds. For those customers who also participate in our Lawn Maintenance Program, the Plant Maintenance crew also spot treats for broad-leaf weeds, and crab grass. We estimate the season to be approximately 6 months in duration, beginning in mid-May and continuing, as needed, through November.

*\*\* Please note that the plant maintenance program is billed on an hourly basis as seasonal growth patterns will vary, it has been our experience that the initial visit, as well as those in late spring/early summer typically take a bit longer than ones in late summer. Any necessary materials such as garden stakes, ties, deer scam, spot treatments for lawn etc... will be billed as additional items. \*\**

WEEKLY (24 Visits)  BI-WEEKLY (12 Visits)  MONTHLY (6 Visits)

#### INDIVIDUAL SERVICES:

WEED BEDS  PRUNE TREES  PRUNE SHRUBS

#### EVENT / PARTY PREPARATIONS

If you are hosting an event at your home and would like to schedule a site clean-up to ensure that your property is looking its very best, if possible please give us two weeks notice.

#### SEASONAL MAINTENANCE

SPRING CLEAN-UP—remove thatch sticks and other winter storm damage and debris from lawn, trim & prune plant material as needed, cut back perennials as appropriate.

EDGING, WEEDING & MULCHING—Edge, weed & mulch beds and apply chemical weed preventer.

*Please Specify Mulch Preference:*

Natural Cedar  Red Cedar  Nevada Brown Cedar  
 Pine Blend  Pine Bark  Pine Bark Mini Nugget  
 Sweet Peat  Please use the same type as last year

FALL CLEAN-UP—to remove leaf debris, approximately 2 visits, and dump/debris removal fees will apply.

SNOW PLOW DRIVE —Winter 2010-2011

#### SEASONAL DECOR

We offer the following additional seasonal services please contact us to discuss:

- Container Plantings
- Annual Flowers - Spring, Summer, & Fall
- Winter Cut-Greens
- Holiday Decorations
- Bulb Plantings

#### LAWN MAINTENANCE

Each maintenance program is customized to the individual needs of each property. For your reference we offer the following services:

- April-late Spring: application of fertilizer, granular crabgrass control, and Tupersan crabgrass control when seeding.
- May: application of spray for broadleaf weeds and granular fertilizer with broadleaf control.
- Mid-June -July: application of spray for broadleaf weeds, crabgrass, and granular Merit application for grub control.
- Late-July -August: spray for crabgrass, and granular Dylox application for grub control.
- Fall: re-seed/renovation of lawn, aeration of lawn, application of granular fall fertilizer, gypsum, lime and Winter-izer Fertilizer.

WEEKLY LAWN MOWING—cut lawn once per week, clear all walkways, patio and driveway of debris and pass line trimmer along edging, curbing and driveway.

- We estimate the season to be approximately 27 weeks in duration, beginning April/May and continuing, as needed through October/November.
